DWPS ASHTA

(Under the aegis of Delhi World Foundation)

Enter to Learn, Leave to Serve.

DELHI WORLD FOUNDATION

The DELHI WORLD FOUNDATION , a Dipsites Pedagogy System and Knowledge Initiative pioneered by a group of graduates from Delhi Public Schools who have since made a mark in the world, seek to take education to a higher level ; an overall holistic, comprehensive and focused initiative to produce all rounded human beings. What we emphasize is the road we are taking to get there – perhaps the road less travelled; but a road which we hope is filled with adventure, with curiosity, with wonder.

It is an ambitious, noble, productive experiment to enrich the world with unparalleled knowledge communication: combining the art of learning with access to the best global pedagogues. Excellence in education with a transparent commitment to equity for all, extreme technology combined with the human touch, and above all uniqueness of the teacher taught bond of the Delhi Public School experience, will hopefully set the Foundation apart in contemporary India. We are Former or Current Students, Parents, Teachers or Principals, or Non Teaching Staff Member of Delhi Public School Society. We are part of the Dipsite World. We are entitled to be members of the Delhi World Foundation who have established a chain of Schools in India under the name Delhi World Public Schools.

DELHI WORLD PUBLIC SCHOOLS

Delhi World Public Schools are chain of Schools under the aegis of the Delhi World Foundation including luminaries like Salman Khurshid – Former External Affairs Minister , Government of India ; Montek Singh Ahluwalia – Former Deputy Chairman, Planning Commission ; Chintamani Rao – Former Vice Chairman, Times Broadcasting Company; CA. Rajiv Soni- President of the Dipsite Association; Dr, Rakshanda Jalil , Historian , Sharmila Tagore, Actor and several others.

This group spearheads a mission to achieve excellence through cutting edge learning tools combined with the human touch and the unique Guru – Shishya (Teacher – Pupil) bond, to integrate the best ideas in education taken from all good practices in India and around the World. For instance borrowing from the Nai Talim principles of Mathama Gandhi whereby learning takes place by doing, where knowledge and activities are not separated from each other, and the virtuous character of the child is built to last a life time.

Emphasis is laid on learning from the environment combining spiritual philosophies with different subjects in the curriculum. To achieve this blend , our student community is involved in peer tutoring to reach out to fellow students who may be less privileged than them; our teachers are provided opportunities for researching pedagogic systems, and for continuous training and learning.

In addition to excellent teaching and learning facilities each of the school of Delhi World Foundation is encouraged to offer a variety of creative fields. And just as every Delhi World Public School is special, every student of our school is nurtured and empowered to blossom in his or her own special way.

VISION

Delhi World Public Schools, are committed to provide state-of-the –art education incorporating Indian values and World culture, aiming to create global citizens as torch bearers of a dynamic and harmonious world.

MISSION

Delhi World Public Schools, aim to instill in each child a sense of inquisitiveness and exploration, and an urge for experimentation, observation and synthesis. We endeavor to free the learning process from the confines of the four walls of classrooms and take it further to activity workshops, resource centers, laboratories and library, teaching less for learning more. Every child will be encouraged to inculcate the values of citizenry; a commitment to good health, high values and sensitivity to the environment. We strive to guide and support each child in their journey from primary to senior school and prepare them for the journey beyond school.

CURRICULUM

The curriculum of **Delhi World Foundation** adheres to the **National Curriculum Framework 2005** (NCF 2005) and CBSE curriculum.

Our guiding principles are as follows:

- a) Teaching and learning to shift away from rote methods.
- b) Curriculum to be enriched enough to go beyond textbooks .
- c) Teach less to learn more.
- d) Opportunities to be created to enhance the ability of children to link learned knowledge to life outside the School.
- e) Examinations to be more flexible and integrated with classroom life.
- f) Classroom experience is directed towards becoming good citizens with a sense of equality and compassion towards others.

Standouts of Delhi World Public School, Ashta

CHAIRPERSON'S THOUGHTS

Our Indian standard of education is excellent. Our students are amongst the best in the world. They score high on marks – to the extent of securing even 100% in English!

But can we truly say that our children are well rounded ?

Not just masters of marks but also fluent in languages, communication and general knowledge. Have they developed team spirit and qualities of leadership? Do they see beyond the

confines of their school and home to recognize inequalities around? Can they

hold their own in Public debates or Present themselves admirably in an interview?

There is so much of the past that was character forming which our school have discarded or forgotten in the pursuit of High Grades. Institutions like National Cadet Corps and Scouts and Guides; Institutions like the Social Service League; the Arts ,Crafts, Culture and Philosophies of our country that our children are unfamiliar with. We are losing many aspects of our history which must be gathered with care before it is all scattered in the vicissitudes of time.

CHAIRPERSON'S MESSAGE

It gives me immense pleasure to welcome on board **Delhi World Public School, Ashta** ! I am sure the school will embody creativity and innovation and create new bench marks in the field of education. I wish the team every success for the future.

May the Almighty bless you in all your endeavors!

The Team

School Directors

The Visionaries, Stalwarts in their fields, who visualized the demand of the public and earnest need of a world class School for quality education to the budding genius of city and neighboring areas, provided Delhi World Public School, Ashta as a boon for the generations to come.

School Head

Dynamic, Highly Experienced, Academically Bright, Widely Exposed, Well Versed, has been felicitated by different Agencies, is a strict disciplinarian with a tender heart. A perennial source of inspiration for staff and students and is always available to resolve every issue.

Co-ordinators

To ensure smooth functioning in different Wings, and, of activities: experienced, balance-headed, mature co-ordinators are appointed at various levels –

- Co-ordinator : Kids' Zone
- Co-ordinator : Junior Wing
- Co-ordinator : Middle Wing
- Co-ordinator : Activity

Mentors

Our Academicians are mentors with expertise in their work possessing adequate qualifications, training and experience desirous to their fields. They are friendly, resourceful and always ready to solve students' problems and guide them for better learning opportunities.

Training

Delhi World Public School, Ashta lays equal emphasis on its Teachers' knowledge enhancement, thus regular Teacher Training Sessions are organized for keeping its Academicians abreast and updated.

Wonderland (Kids Zone)

'Wonderland' is an artistically painted, comfortable and convenient space for the kids, providing impetus in their preparatory years before formal education.

The curriculum includes a proper balance between what is being taught, to make sure that each and every child understands what he or she is studying, proceeding with each kid along with a proper gradient that is neither too steep nor too shallow for the child, so that they can think with it and apply it.

We accomplish the above by incorporating varied and engaging activities, introducing kits & tools, involving creative teaching, audio & visual aids, real world learning situations, brain storming sessions – in and outside the classrooms, puzzle games, role plays, narrations, puppet shows, music & dance, drama, art & craft, sports, monthly theme display boards, selecting Stars of the Month, even familiarizing with technology, to name a few.

Our curriculum is academically sound and leads to muscular, motor, physical, sensorial, social, intellectual & emotional development of each child and gradual learning of communication, languages, mathematical skills, draft & design, action & elocution, and, to understanding the world.....

Primary Wing (Standard 1 to 5)

The Primary years of formal Schooling are very crucial and play a vital role in establishing the personality of any child. Thus to ensure the over all development of pupils and to enhance their cognitive, social, emotional, cultural and physical skills and to prepare them for their further school career, the School provides a rich, stimulating and caring environment in which children feel happy and confident. Focus remains on general education in various disciplines viz literacy, numeracy & technocracy, cultivation of sanitary habits & aesthetic sense, development of co-operative attitude, appreciation for nature, manual labour, co-operative attitude, different culture, life & religious beliefs.

Thus, apart from regular class room Subject based teaching where personalized care is topmost priority of friendly teachers, the students are exposed to varied other activities like Art & Craft, Music, Dance, Drama, Computer, Indoor & Outdoor Sports, Special Assembly, regular visits to labs & library etc to name a few.

Middle Wing **(Standard 6 to 8)**

Middle Wing education is the crux of Schooling. In these years only, students develop self-reliance, can set their goals and inculcate hobbies & interests.

Therefore we at DWPS - Ashta, delicately and intrinsically ensure that every child feels comfortable with the added load of Subjects & curriculum enhancement at the Middle Level, while pursuing other interest.

CLUBS

Dr. Kailash Satyarthi Wing (Social Service)

The Social Service Club is established to inculcate social behaviour among our students. The activities of the Club help members to learn to respect people and teach students to be concerned not only about themselves but also for the welfare of the society as a whole. This inculcates community spirit in the students.

Dr. APJ Kalam Wing (Science, Mathematics & Computer)

This Club inculcates interest in the subject area taught in the school. The main function of this Club is to create explorers who are always bubbling with the questions like 'why' and 'how'.

Dr. R.N. Tagore Wing (Literary)

Literary Club focuses on ensuring that children are ready to take their examinations with a rich vocabulary, genuine comprehension skills and confidence in key aspects of literacy and verbal reasoning. The Club activities also develop public speaking skill among the children as well as an interest in reading for pleasure.

Dr. Ravi Verma Wing (Creativity)

Creativity Club proposes to discover and hone the latent talents of the students. The Club provides adequate opportunities to bring their talents to the fore and thereby gain confidence and recognition.

Dr. Saalim Ali Wing (Nature and Environment)

Nature and Environment Club is being set up to train students how to safeguard the wild life and ecosystem in the face of climatic changes. This has become a priority for the sake of conservation and resource management.

Dhayan Chand Wing (Sports)

“A healthy mind resides in a healthy body”.

Sports Club, through its various sports activities develops team spirit among Students and simultaneously improves their physical fitness.
